---

## Summary

I am a dedicated and efficient full-stack web developer with experience in JavaScript, Node.JS, and React.JS. I am focused on customer expectations and adept at understanding client's requirements along with delivering projects accordingly. I am persistent, responsible, accompanied by a growth mindset, and skilled at collaborating with team members to provide effective results before deadlines. I am seeking to further improve my skills as a future full-stack web developer at Atmospheric Solutions.
